Provident Fund	By the date the listing application is filed, the applicant shall register a provident fund.	
Registrar	Appoint TSD or an approved registrar by SET	
Silent Period	<p><u>Net Profit Approach</u> The silent period extends for one year after listing. Those who meet the criteria for strategic shareholders are not allowed to sell their shares totaling 55% of paid-up capital after the IPO. They are permitted to sell a maximum of 25% only of the locked-up shares after 6 months.</p> <p><u>Market Capitalization Approach</u> ^{/1} The specification shall be in accordance with the Market Cap Test criteria.</p>	
Opportunity Day	<p><u>Net Profit Approach</u> The company must organize a meeting to present and clarify the information about business and performance to shareholders, investors and related persons at least 1 time within the first year after having been listed in order to allow them access to relevant information and opportunity of raising queries to the management of the listed company.</p> <p><u>Market Capitalization Approach</u>^{/1} The specification shall be in accordance with the Market Cap Test criteria.</p>	

Remarks:

^{/1} Please kindly refer to Summary of the revision of listing requirements for companies in the target industries (Market Capitalization Test)

Market Capitalization can be calculated using

- IPO price, if the applicant applies for listing within a year from the last date of its IPO.
- Fair price determined by financial advisor, if the applicant applies for listing after a year from the last date of its IPO.

^{/2} Strategic shareholders are

- Board of director, management, and related person
- Shareholders and their related-person who hold at least 5% of paid-up capital
- Authorized person

^{/3} Notification of Capital Market Supervisory Board 39/2559 on Applications for and Approval of Offer for Sale of Newly Issued Shares.

After a parent company is listed on the Exchange, its potential subsidiaries or joint ventures can also be listed through a process of "Spin-off". Such process allows the subsidiaries or joint ventures to do

its own IPO and be separately listed on the Stock Exchange of Thailand (SET) or the Market for Alternative Investment (mai). However, in the event that such subsidiaries or joint ventures are separately listed, it is important that the parent company is still able to meet all the qualifications of maintaining status.

**Summary of the revision of listing requirements for companies in the target industries
(Market Capitalization Test)**

Qualifications	SET (For Thai company and foreign company that benefits the Thai economy)	mai (For Thai company)
Industries	10 Target Industries (as specified in the Notification of the Board of Governors of the SET)
